Michael Kors Collection 2017 spring and summer women's show

Michael Kors Collection 2017 spring and summer series is designed to combine classic elements and essential style, to create a modern American daily dress with the unity of comfort and practice, whether it is to create a stylish avant-garde urban female image, or elegant and decent Goddess appearance, can be in this season's wardrobe to find that one for you.

In this season delicate, exquisite item has a poetic rich details, loose straight trousers and feminine floral prints combined, V-neck dress with a lotus leaf and wide belt embellishment, oversize sweater, cardigan and windbreaker use high-purity color and comfortable free style, fabrics are mainly simple and stylish materials, highlights the soft waist. Charming floral patterns appear many times, which is also for mature urban women with a touch of gentle and clever. Foot waterproof platform high heels once again return to the home, presumably will lead next year boots trend.
