A fashionable metropolis of a retro tango! In October, Michael Kors launched "Midnight Manhattan" series, the integration of American practical and luxurious elegance.

In October, Michael Kors launched "Midnight Manhattan" series, including clothing, handbags and watches. This series combined classic elements and luxury elegance, American style and retro temperament, just as bustling of day and night in Manhattan, writing women's maverick temperament and charm.

In October, Michael Kors launched "Midnight Manhattan" series to invite you to dance a retro tango in the cosmopolitan city of fashion. Just as bustling of day and night in Manhattan for centuries, printing, embroidery and mosaic is a timeless element of the trend. "Midnight Manhattan" series of fashion elements of these classic elements with the perfect blend of luxury and elegant fashion attitude, from the double-breasted elegance return to the metal sense of the lazy charm jacquard, from the crystal decorations on the dinner jacket to a variety of color visual collision patterns and Polka dots, injecting more maverick temperament for female glamour.

Walked through the bustling of Wall Street and the bright of Broadway, Sutton series of new heritage design splicing emerge at American practical concepts and the European classic. Mello red, classic black, gray and cream white - four kinds of colors with the style, and meet with serpentine calf at the crossroads of the world, collision out of the luxury style, noble taste, but also the pursuit of exquisite fashion options.

Michael Kors launched the new Sawyer series of watches is pure American style of the perfect presentation. Its charming minimalist design and the warm color of the crocodile embossed strap with a show of soft feminine beauty; and rihui dial with gold or rose gold metal bezel, distributed dazzling light, and also showed the independent of female. This watch also has a unique timing movement, meter hours and time-sharing, 12 o'clock position with a calendar window, feature-rich and perfect to meet the various needs of urban white-collar workers, to show the time concept of Wall Street elites. Michael Kors also launched Whitley watch with a mysterious retro temperament in Autumn. The sun figure pattern dial, Roman scale, with about the proportion of the week and date window, the chic outstanding decorative arts and design to give it a charming classical sense. And the slender crocodile leather strap with eye-catching double diamond ring to make it more gorgeous Jet Set charm.
